JULES HAUEL, Esq., the well known perfusaer, of Chestnut Street, Philadelphia, whose choice products are found at almost every foilet, says:

"I am happy to say of your Carnastic Pells, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in bolieving that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854;

"Dr. J. C. Aver.—Sir: I have taken your Pille with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few does of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which ease; and I feel it a pleasure to commend you for the good you have done and are doing."

"Sir; I take pleasure in adding my testimony to the efficacy of your medicines, having derived very-smaterial benefit from the use of both your Pertoral and Catharite Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Catharite Phila in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing leadache, indigestion, centivoness, and the great variety of diseases that follow, they are a sure remady than any other. In all cases where a purgative remady is required. I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pectoral as the best Cough medicine in the world; and these Fills are in no wise inferior to that admirable preparation for the treatment of diseases."

With what feelings of rejoicion I write can only be imagined when you realize what have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unradurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore "About nine weeks ago I commenced taking your Cathatte Filla, and now an entirely free from the complaint. "Your Palls have cured me from a bilious attack which areas from derangement of the sliver, which had become very sectous. I had failed of any relief by my Physician, and from every remedy I could try; but a few does of your Pills have completely restored me to health. I have given them to my children for worms, with the heat effects. They were pramptly cured. I recommended them to a friend for constituences, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in his world; and I am free to say so."

My wife was cared, two years since, of servere and dangerous cough, by your Cherry Price and family have been very much benefited by your and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Carmarric Plus have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.
